Flat & Pitched Roofing (including repairs and maintenance)

Fencing

Plumbing/Bricklaying/Decorating/Carpentry/Plastering

## **CLIENTS**

Working with local authorities, commercial, retail and domestic customers, Solent Carpentry Services deliver projects to a diverse range of clientele. Projects are completed on time, within budget and to specification. Customer care is highly regarded at Solent Carpentry Services and the team are dedicated to providing a professional and friendly working relationship. A selection of recent and ongoing projects include:-

### **TOPMARX LTD**

Topmarx Ltd specialise in the re-instatement and restoration of residential and commercial properties after the event of an insured peril. Solent Carpentry Services provide on-going building restoration for Topmarx Ltd.

### **HAMPSHIRE COUNTY COUNCIL**

Solent Carpentry Services provide reactionary maintenance to Hampshire County Council. Various maintenance projects involving all aspects of the building trade (Carpentry, Plumbing, Bricklaying, Plastering, Painting & Decorating, and Fencing) are undertaken. Response onsite is guaranteed with 2-4 working hours.

Planned maintenance projects up to 30,000K involving metal gates, fencing, toilet and kitchen refurbishments and structural changes are also undertaken by Solent Carpentry Services.

### **DCI RERIDGERATION**

Recently provided a complete office refurbishment to DCI's offices in Portsmouth, Hampshire. Through DCI, Solent Carpentry Services provide complete building maintenance services within the retail sector.

### **PORTSMOUTH CITY GIRLS SCHOOL**

Providing reactionary maintenance and planned improvement projects to Portsmouth City Girls School. Recent planned improvement projects include class room refurbishments, toilet refurbishments and changing room conversions.

### PRINCES MEAD SCHOOL

Providing planned maintenance and refurbishment projects to Princes Mead School, Winchester, Hampshire. Recent projects include classroom and toilet refurbishments.

### PORTSMOUTH CATHEDRAL

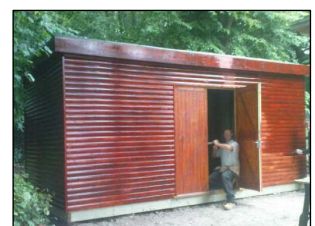

Solent Carpentry Services provide general maintenance services to Portsmouth Cathedral on a reactionary basis.

In addition to working within Cathedrals, Solent Carpentry Services have experience of maintenance work in listed buildings.

### DOMESTIC CUSTOMERS

Projects involving loft conversions, extensions and garage conversions allow home owners to improve their living experience through the expertise and craftsmanship of Solent Carpentry Services. The controlled management of the project allows the company to complete projects within 6-8 weeks. Customers are always impressed with the efficiency of the company and the friendly caring service from all staff involved with the project.

### MISSION STATEMENT

To provide the best building services available by maintaining an exemplary record of client satisfaction, quality of work, financial performance, safety on projects and job satisfaction to employees.

Solent Carpentry Services believe the strength of the business is in its people, subcontractors and suppliers. To ensure the success of the company, work is performed in the safest manner possible. Safety and the welfare of all of people associated to the business is the company's primary policy. All work is conducted under the appropriate Health & Safety Regulations with all staff trained in Health & Safety, First Aid, Risk Assessments, COSHH Assessments and Method Statements.

Solent Carpentry Services is an experienced and growing company which continually improves with every project undertaken. Establishing new working relationships and performing with integrity allows the company to excel in providing a truly unique service.
