

Health & Safety Policy and Procedures

1 Health and Safety Policy Statement

Our statement of general policy is:

1. To provide adequate control of the health and safety risks arising from our work activities, so far as is reasonably possible;
2. To consult with our employees on matters affecting their health and safety;
3. To provide and maintain safe plant and equipment;
4. To ensure safe handling and use of substances;
5. To provide information, instruction and supervision for employees
6. To ensure all employees are competent to do their tasks, and give them adequate training;
7. To prevent accidents and cases of work-related ill health;
8. To maintain safe and healthy working conditions; and to review and revise this policy as necessary at regular intervals.
9. To ensure suitable and sufficient risk assessments are completed as required by statutory legislation and all recommendations are implemented.
10. Employees have a legal and moral obligation to see that their acts or omissions do not place other employees, members of the public or colleagues in jeopardy.

Solent Carpentry Services Ltd acknowledges that the key to successful Health & Safety management requires an effective Policy, Organisation & Arrangements, which reflect the commitment of senior management. Our policy and procedures will continually be measured, monitored and reviewed to ensure Health & Safety standards are adequate.

All employees have duties under the Health & Safety at Work etc, Act 1974 and they are informed of their personnel responsibilities to take due care of Health & Safety of themselves and to ensure that they do not endanger other persons by their acts or omissions. They are also informed that they must co-operate with the Company in order that it can comply with the legal requirements placed upon it for the implementation of this Policy.

This policy will be amended, monitored and reviewed periodically to conform to new or amended legislation.
